Meeting was called to order by Chrystal Strocher at 7:15pm

Present at meeting: Chrystal Strocher, Corrie Bast, Anita Richardson, Ronda Scheelar, Sandy Babuik

Chrystal Strocher approved minutes; Ronda Scheelar seconded

PRINCIPAL'S REPORT

- power school report cards are coming along but report cards may go out a little after the scheduled date. Nov 27 is the first date that they can print out the report cards. So there is no way to go over proofing them until this date. Goal is to have them out for Dec 2 which is the scheduled parent teacher interview.
- AERR results are in. math improved. 14% above provincial average
 - science is very high (as it usually is) 17% above provincial average
 - LA had some struggling students which results in a lower average for 2014; it was maintained to average level; still in acceptable areas for the province
 - social is one of the lower subjects. we still are above the provincial average.
 - our results are in good standing in comparison to the provincial average. We have a higher percentage of the whole student populace actually writing the tests.
- 0.7% drop out rate; provincial rate is 3.5%
- attendance is significantly better than the Canadian normal.
- have a strong participation in sports
- have a lower participation in school clubs
- results are attached for the AERR
- healthy schools grant is something the school is looking into; working together with other organizations in the community. ie. promoting natural student helpers; dealing with areas that are a concern within the school
- budget review was gone over. Anyone wishing to look at and go over please contact the principal

DIVISION REPORT

-no representative was present
